“ *Mona was our neighbor for 11 years. She gladly waved when she walked her dog - shared veggies from her church garden - and called now and then. My husband predeceased her by 2 months - he died on 2-17-09 - they both had graduated from CHS in '41. I missed seeing her and made inquires about her whereabouts only to learn that she had been moved to a Tyler nursing facility. My regards to her family*
