“ *Mr. Werner was an asset to the store. He was the first contact a customer had. He didn't stand there and wait for you to get to him..he walked to you, shook your hand, sometimes you got a hug and you always got a great big smile. I miss him so much.*

Wal Mart Customer - May 13, 2006 at 12:00 AM

“ *I would like to say that Mr. Werner was the happiest person I've ever meet. I could always count on him to greet me with a small and the warmest hand shake. I was taught that a hand shake says a lot about a person. I believe it to be true. I've missed him a lot over the past several months. I know he is in a much better place. He was a true angel among us and I was truly blessed to have met him. God Bless and his family.
With deepest sympathy,
Kim Marshall and family.*

“ Dear Ken and Susie:

We are so sorry we missed the services. I fell in the garage and was in so much pain, the pain meds put me to sleep for most of the whole day.

Your father will be missed. He always seemed to have a smile and a hug for me, whenever we met.

May God bless him and keep him and shelter his loved ones, left on earth, under the wings of his angels.

We love you and Ken very much.

“ We are so saddened to hear of Mr. Werner's death. My husband worked With him @ WalMart for a time. I always enjoyed his beautiful smile & sweet personality. When he wasn't there ,I worried about him. I had my husband make him one of his wire angels after his wife died because he was so down. I always thought he looked like an angel himself, now he is among them. He will be missed by many.Our prayers are with you.

“ Myles was always so kind and uplifting to my family when we shopped at Walmart. He always took a moment to tell me how nice I looked when I would go in on my lunch hour. I really appreciated the care he showed to me. It was a pleasure to enter Walmart knowing that he would be there to give me and my family a warm greeting and a Walmart Smiley Face sticker to my little ones!

HE IS GOING TO BE GREATLY MISSED!
