“ *To the family, We are so very sorry for your loss. There are not words to be said that can take the hurt and pain away. Although I never met her I can tell by the way Zack spoke about her and all of the good things he shared and said about her she was a very, very special lady and will be missed greatly. Hopefully you all can find peace in knowing that Mrs Gillian is in a better place and is not hurting any longer. Lean on each other and your huge network of friends in this time of need. Myrtle and I have been best friends since 1976 when I went to work with her at Gibson. She and I would talk on the phone for hours talking and laughing we just knew the operator was enjoying our conversation. sadly I moved away and we didn't talk as much, but I always new she was there if I needed her. I loved her like a sister. I will miss her very much. I love you Myrtle Gillan.
