“ I will never forget all the happy memories of the times I spent with Mrs. Hall when we were riding together when I worked at Liberty Mutual, and she at Corsicana Company.(sewing) She was the sweetest most kind person that anyone could ever call a friend. I know how much she missed her husband, and that now, she is happy again with him. Clifford, Larry, Danny and families---think of her as being well, young and whole again and waiting to see you in Heaven. My love to you all
