“ *I know it hurts to lose such a wonderful woman and beloved family member. I know you'll find comfort in your sweet memories, and I feel certain that Myrtle is where she needs to be now.*

“ *Dearest Family, We were sorry to hear of your loss and weep with you in your grief. We never met a sweeter person and her absence here will create such a great vacuum in the lives of all who knew her. So precious and gifted. And her legacy of a whole family of nice, wonderful people who benefited from her influence. We love you, we hurt for you, and we will draw nearer to God in prayer for each of you as you adjust to her absence and remember all the goodness of this remarkable lady. Looking ever forward to a grand reunion with our many loved ones who have gone before us into God's loving arms.*

“ *Brandi, and Mrs. Collard--- My heart goes out to you and your families as you say goodbye to this wonderful woman. Mother enjoyed her company and thought the world of her. I know Mrs. Collard, the pain you are feeling as only one who has lost their mother can feel.. You all in in my prayers and hope your good memories of her will get you through this rough time. I would like to say it gets easier, it does, but you will always have a hole in your hearts but that hole contains a lot of love.*
