“ You came into my life at the age of 4. You married my granny and became a grandpa to me. You taught me everything I needed to know about football, baseball. We went to alot of ranger games and got alot of bats that I still have. I got every signed baseball when I was a little girl. I loved those days. You introduced me to old westerns movies. McClintock is our favorite.

Thank you for coming into this big family and excepting us as your own. You gave so much just so granny could see and be apart of grandkids lives. Thank you isn't enough. I love you Ole man. Rip
