Omg! I have always remembered Dirk & Nada from our Lee school days. Every time I drive by the house they lived in on 4th, I would always wonder where they ended up B/C they didn't finish school here. I was putting flowers on my dad's grave yesterday with my 7-yr old granddaughter & I was telling her of friends of mine that had passed & I saw Dirk Messer & my heart broke right there. Then I saw Nada's & I was in tears. This whole time Nada had been right here in town. I know she had been our waitress at OMI. I WOULD HAVE LOVED to have got together & talked about our lives as adults. 💔 Dirk was a sweetheart too at Lee. Oh if we had only known. I'm so so sorry Mrs. Messer. Now I know where they both are. 🙏🙏
