“ We are very sorry to hear about your loss. Namon was dear to us, enjoyed the many visits and conversations with Namon. He was like a Grandfather to me. He loved to tell me stories of the past years in Frost and all he had done, and we loved hearing them. We are praying for you Jeroline, and for the family. We pray that God will help all of you thru this loss.

*Jeroline, you are like a Grandmother to Kay and I, and we loved both of yall. May God grant you the strength and peace you will need over the coming days. Namon, REST IN PEACE*
