“ I can remember the first time I saw a home computer was at Nancy and Jimmys. I would type and print and just thought that was so cool! She would always come to Grannys when she got off work to watch the wheel. Granny loved the wheel. She loved her sports! And Nascar. Awesome Bill from Dawsonville! She loved her Tiger! And later Sweetie! She was my Aunt and I Love her! She will be missed

“ I worked with Nancy for many years at Tom's. She was a pure pleasure to work with, very nice, super reliable, very professional and a great friend. I always loved to hear about the Nascar trips her and Jimmy had taken and she liked to hear about the classic cars I had an interest in. I never heard a person say a bad word about her and I do not remember her saying bad about anyone. A very honorable person!
