“ *Nathan had to be one of the sweetest men I know, we grew to love this whole family over the years. You just knew how much he loved his Family and Friends and fought so hard to stay here with them. God had a different plan. Please find comfort knowing God chose each of you to be a part of his life for many years. It is never long enough in our hearts but know you will be together in the end. You all will be in our hearts and prayers during the days to come. Sending a Special Hug and Love to you all... Brett, Diane and Family*
