“ Pops was a wonderful man. Although I am not a relative Pops always made me feel like I was. He and Margie loved each other so much that it really showed. There was never a question. When Margie passed Pops was beside himself. Didn't know what or how to the next step. Now they are blissfully together again. I will see them again, so until we meet again, bye' for now. Love you always.

Sammie- If I can help you in any way please feel free to contact me. Love you very much.

Gail- You are in my prayers and if you need me please call me.
