“ *My name is Opera Sneed I am sorry for your loss I did not know Mr. Richard personally.. But I am one of the individuals who stopped on scene as soon as it happen.. I am deeply touched I stayed with him until the paramedics made it and took him off I was right by his side talking to him.. It really weighted on my heart when I saw the paper that night and it said he passed.. Only God knows why things happen the way they do.. But again you have my condolences and I am keeping you and your family in my prayers... God bless and continue to give u strength!*

“ *I'm Burton Guillot II. Cousin of Newton Richard Guillot. His dad & my dad were brothers. Richard & I were close in 1990's. My fondest memories with him were when he & I travelled to Hanna, OK to attend Gary P. Nunn's music festival there in 1994. Didn't we have us a ball ! Lots of indie-type local Texas-Music acts were there. Many of which I still follow. May God admit him into his kingdom in Heaven, as well as bring comfort to us- his family & friends until we meet again.*

“ My earliest memories of Richard was when the Guillot Family moved to Austin in the mid 60's! I was at their house visiting Joan; Richard walked into the room, took one look at us, laughed and walked out. He was so cute with his big smile and his perfectly styled "surfer" haircut. A sweet, gentle soul! God Bless Him and may he rest in eternal peace.

“ To my dear cousins, and to all the family members whom I have never met. I want you to know how very sorry I am for your deep loss, and for all the years we have allowed to elapse since we have been in touch. I will always remember how much you loved each other when we were kids and how much fun we had when we were together. I specifically remember how careful Richard was about how he dressed and how he was meticulously ironing his shirt one day when Mother and I came over. He was just a kid. Not even a teen yet! I know words cannot express how you feel now, and they fail me too. I do know this. It has been too long since we have been together, and I think we need to be talking about that. Until then, you are in my heart and prayers

I, too, feel such a loss with Richard's passing. We knew each other as kids but not as adults. He was one of my Dad's favorite nephews and was spoken of very fondly. I keep hearing "sweet" to describe him. My heart breaks that we did not meet in later years. I stand with Becky to say we all must try to be close. God bless you Richard and all your siblings. May you be with our family who have passed before you. My heart is with you all.
