“ Mother was just talking about how she truly will miss Jane. She was talking about how daddy really liked Jack. In their younger days, for a time Jack and Jane and Pat stayed with Mama and Daddy and Allan for a while until they found a house. We often played together. Us kids would play in the living room or outside while the adults played dominoes or aggravation. We went to their house sometimes and they came to ours sometimes. We would swap out. When we were young-we are all very close. Jane will truly be missed. I loved her dearly. And I truly loved to aggravate her about the ocean.
