“ *Sorry to read of your loss. May the love of Jehovah God, friends and family carry you through your grief. . I have found the best comfort can be found in the bible's promise at John 5:28 and 29 There Jesus Christ himself said: ?Do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out. What a joyful time this will be being reunited with our dear love one please allow these scriptures to give you comfort and hope.*

“ Sorry to read that your mother has fallen asleep in death. I do not know your family. At a time like this, words can be comforting, but the pain can be unbearable. I pray that God gives you the peace and comfort that can only come from Him. May God truly bless and heal the hurts you have. Please notice There is much comfort and hope in the Bible The promise found at John chapter 5: verse 28 and 29 There Jesus promise that there will be a resurrection. what a joyful time that will be when all who are in God's Memory will be resurrected back to

“ We're so sorry for you loss. I know you were expecting it, I know she's in a better place, I know you'll see her again. But a mother's loss is second only to a child's. Please know you are in our prayers.

“ Betty and family - I am proud to have known your love one. From the time she kept me as a five year old and as a grown man setting on her porch talking with her. Her love was endless. Peace be with you and God Bless

“ My sympathy is with all of the family. I loved Agnes very much. When we were growing up Agnes and my Mom (Bessie Miles) were like best friends and that is how we got to know her. She was a wonderful lady and I am very glad to have known her. I know today even though you all are all sad, my mother (Bessie) is happy in heaven to see Agnes once again. Sorry I cannot be there. You are in my prayers.

“ You were a wonderful aunt. I remember all the garage sales and all of the many hours I spent playing on your front porch. We always loved going to Aunt Agnes and Uncle Ed's house. I know Mamaw was thrilled to see you when you arrived in Heaven. I will cherish all of the wonderful memories of you.

“ Agnes will always be in my good memories of times gone by. She was the dearest friend to my mother Bessie Miles. They spent a lot of good times together and made a lot of memories of their own. I loved her dearly and know she is in heaven with her dear Ed and with all her friends and family gone before her. May she rest in peace.

*My prayers are with the family-you will miss her, but just remember she is happy now and treasure the memories.*
