“ It's difficult to be so far away and wanting to be there to comfort, but know this that you are in our hearts & prayers knowing that grief & healing will run it's course with the help of OUR MIGHTY GOD! We love you dearly and will miss Tim's laugh, abounding devotion to helping ease people's pain even when he was hurting so, and playing a game of "42" dominos. May HIS love and tenderness be with you! ALL our love, Jeanette, Kevin & Kaytlin

“ I had two massages by Mr. Niles and he was most professional. If I could have afforded it, I would have gone back more often. Please know that some will remember him as a businessman who knew how to relieve the tensions of life. I so appreciated his expertise and professionalism. I am very sorry for your loss and Marla (whom he talked about both times with love and care) and the rest of the family are in our prayers.

“ My heart aches with your loss. I suffer from widespread pain, and found Tim to be my saving grace. Though a short time, we became friends. I'm at a loss for words. He was a great man who offered me kindness, hope, and a healing friendship. He will be greatly missed by all. Marla, you and your family are in my prayers. My contact information is on file. Please allow me to help in ANY way.

GOD be with you.

“ We are shocked and saddened of the tragic loss of Tim. He was a skillful masseuse and helped many people through physically painful times. He was a kind man and treated us, as clients, with respect and dignity. Tim always spoke of his family with love and affection. Marla, we are praying for you and your family during this somber time. May God comfort and give you peace as only He can provide.
