“ We all know that if anyone earned a spot in HEAVEN, it was Mama Tebe. She was a wife a mother a teacher, and anyone who came in contact with her learned something from her, she was a rock in hard times and the one who kept going even when others would have given up. God Bless You Dear Grandmother and rest in peace, you of all the people I know have earned your crown.

“ God's love is there in the whispering of the wind, the rising of the sun - and every healing wish for all of you.

Those we love are always with us. Their laughter and their wisdom, their advice and thoughtfulness are gifts of love that are ours to keep. May the gifts of your Northera help console you now and fill your hearts with memories that will always comfort all of you.

I will not leave you comfortless: I will come to you. John 14:18
