“ *When families part, you don't always have a chance to get to know people as you would have liked. I was an adult when I met Ollie, but I learned that she was a gentle, caring person who loved to laugh and have a good time. Ollie experienced many losses but she kept her faith and still managed to see the good things around her. I know that Ollie is celebrating her new life in Heaven and having a "Kissin Cousin" reunion like no other. God Bless you, Ollie as he Blessed all of us who knew you. For Granddad (Albert): I hope the wonderful memories you shared with Ollie will help to fill the void in your heart. May God's love comfort you and keep you strong. Cathy*
