“ *I was 10yrs old when I met Mrs. Baily at Navarro Mills Baptist Church. She always made a point to come over to where I was setting at church and say hello if I haven't told her hi first. She always had that smile that would just light up the room. I would visit her during the week just to check in and say hi. It's amazing she touched so many young people when I was a youngster and still today. Mrs. Baily still lives in each one of us. We're better to have know her and Blessed that she touched our hearts in so many ways. To the family, my prayers are with yall, and thank you for sharing the most God fearing woman i've ever known. God Bless..Teresa*

“ Ms Opal was a true angel from GOD! I know that God is rejoicing in Heaven when he got Ms Opal. She was the kindest and sweetest person that I have ever known. There are very few people that you meet that make an impression on you but, Ms Opal was that kind of a person. For us, we are very sad that she will not be showing her beautiful smile to us, but again we have to rejoice that she is with God. I will see you again my friend, My God Bless You with all the treasures that Heaven has to offer. We love you, Janice Wood.

“ We are thinking of you and praying that God will be with you and comfort you at this most difficult time. Opal is a cousin of ours and lived with our family(Cecil & Clara Jackson for a while). She is a special cousin of ours and was loved, as was her Mom(Aunt Nita) we called her. God bless and be with all of your family.
