“ Richard, I am so sorry for your loss. I know how much you loved and adored Ovie. She was always such a sweet lady, making those cookies every time you were there and we all were together. Not only was she my precious grandmothers neighbor but her dear friend for so many years. I know they are in heaven now rejoicing together. I wished I had found out earlier so I could have paid my respects. God bless and my families prayers are with you and your family.

“ Ovie was the sweetest lady. She had a great sence of humor. She way always so kind to me and my children. My heart goes out to all her family. Ovie lived next door to my mother for several years. I had so much fun with her , I went to Waco with her one Thanksgiving . Ovie was always looking on the bright side of things. Little Richard was her pride and joy. Richard I know you are so sad , Just know Donna and I are her for you anytime you need us. My condolences to all the family.

“ Ovie and my mother, Floy Smith, shared many days playing games and enjoying each others friendship in their later years. I know you will miss her and cherish her memory as we do my mother who passed away in 2010 at the age of 94. We are blessed by their long, good lives.
