“ *It was a priviledge and an honor to have known Pam. She was a very unique person and always had a smile on her face and able to laugh at anything. I'm so glad she was a part of my life and she has left many wonderful memories for her family. My thoughts and prayers are with you all.*

“ *Although both from same area, I didn't meet Pam until we became email buddies a little over 10 years ago, found out that we were almost "kin". I didn't learn of her death until today when I saw it in the Daily Sun. Only last month, Pam called me, our first vocal conversation although we've sent many words to each other via cyber space. I will miss Pam's humor, her outlook on life, and I am saddened for myself because I've lost a dear friend although we never met in person, meant to, just never had the chance. Ann and Angela, I loved your mom, I know you and the girls will miss her, but you have beautiful memories of her to remember, just let God wrap His loving arms around you. You are all in my prayers.*
