“ *Pat was a special person that will be missed by so many. I had the pleasure of knowing him from our High School days and in to our adult working days. The last time I saw Pat was at this very funeral home and only was able to speak with him briefly a few months back. I wish I had visited longer with him. God bless him and may he have peace now in the next life.*

“ Dear Chad and family ,
Bobbie and I are greatly saddened on the passing of our dear friend and devoted classmate , Pat. I first met Pat many many years ago. Some of the guys made our way up the street from Columbia to his frontyard. After playing , I felt I had met a human boy whirlwind. Pat was an unique force of nature. Many friends have echoed that Pat was one of a kind , I would add the word fearless. Pat was fearless in what he thought , believed , said and how he lived. Your memories of Pat are so strong and vivid. Does anyone remember when Pat and the band sang in the Collins gym. He pranced around , twirling the mike and created all this reverb., it was wild. We had speech together at the old high school with dear Jimmie Lou Scott. Pat gave a speech about Viet Nam and Pat you may have been right , everything is a conspiracy.
Bobbie and I heard Pat was having another bad spell with his health around Thanksgiving. We found Pat at a nice rehab facility in Ennis. We went to visit on a beautiful sunny Saturday afternoon. Chad it was the best visit and talk Bobbie and I ever had with your dad. Pat was asleep , but had a sign by his bed which said if I am asleep wake me up. We gingerly woke Pat. I asked Pat was he sure it was okay and Pat said Heck Yes! Maybe he didn't say Heck. He talked of how proud he was of Chad and you knew he loved and appreciated all Chad was doing for him at this time. He told us he was working so so hard in rehab and the doctors thought he was making good progress. He had a plan he would be back to Corsicana by Thanksgiving. We talked of the tragic loss of his mom and the pain he has felt all these years. I wish I had been a better friend and giving Pat more grace. We talked of the passing of Mike and God. We know Pat had faced death before and he told me he was not afraid to die and he and God had an understanding. Pat had we call Blessed Assurance. He was grateful for all the days he had left but he was fearless again in his mortality. The last things I said to Pat was this silly slogan. Always be yourself unless you can be a Tiger. Then always be a TIGER ! Chad your dad will be remembered , missed and my many friends and classmates. Pat Kindle was and will always be a TIGER !

*May God give comfort to Chad , family and all who miss our friend.

“ Pat was the singer in our rock and roll band- "the End of Time" in the eighth grade at Collins Jr. High. We thought we were setting the world on fire. Lol-We had to make our own "stage" with cafeteria tables and the whole band was up there rockin' out- it's a miracle we didn't crash! Lots of other memories..Pat was one of a kind- Mike King

“ Pat & I became friends in high school & remained friends for over 50 years. As a teenager, my parents divorced & it was a difficult time for me. Pat met me with a hug every single morning & never truly knew just how much that single act helped me. That greeting with a hug continued throughout that 50 year friendship. I'm gonna miss that man. He was one of a kind.

“ *Pat was one of the high school friends you just never forgot. Sweet, funny, and loveable. Last time I saw him was at the grocery store a year or more ago. We were both in bad health at the time, but he still seemed like the 16 yr old I remembered so fondly. Prayers for the family. Pat will be missed. Donna Clay Picone*
