“ *Just a note to express our sorrow and shared grief at the loss of your loved one. We missed signing the registry book at the church. The service was beautifl, and the soloist did such a fine job with her beautiful voice. Know that we are thinking of you during these hard times. We rejoice that she is with the LORD, and is no longer suffering. Love, Johnny & Marilyn....*

“ *Last time I saw Patsy was at Peggy Williams-Garner's funeral late last year. We had to walk back up a hill to our cars and bless her heart she was so short of breath but we were able to talk and she still had her sweet smile. We missed her at our class reunion this year.I remember all the good times we had in school.The family members are in my prayers.*

“ *To The Family:*

*As a friend of Patsy's sister, Mary, I have many happy memories of times spent at her house after she took Mary and Clifton in after the death of their father. I always admired her for doing that - she was very young herself at the time. You have my heart-felt sympathy. I am truly sorry to hear of her death.*
