“ *My Mimi was the best person to ever come into my life, when she passed away on my birthday I was devastated. One of my memories of my Mimi was every time I stayed with her, she would bake brownies with me, and we would sit down in her room and watch tv and eat our strange but good snack, it was pizza Pringle's and pickles. When I woke up every morning while at her house, she would always have chocolate milk waiting for me and fixed the most delicious breakfast, but a lot of the time we would get braums and go to the park and eat, she had always cared for me when I was younger, and showed up to almost everyone of my birthday party's, and if she didn't, she would wake up early and text my mom and dad and tell them to wish me a happy birthday, then she would call me later on in the day and tell me happy birthday. I can't explain in words how much I miss her, and I live her so much. April 2nd is 3 days away and I decided to write this in memory of her. I love you so much Mimi and always will. -Peyton Morgan*

“ *I work at the sonic in Corsicana and she would come every day to get her tea or Diet Coke. She always asked me how was school and she knew me by name. She always bragged about her family and was so sweet. I cherished this woman. She made an impact on me just coming to Sonic every day.*

“ We attended a Lettermen concert a few years ago. Pat loved their music, as I did. Just one week before she passed, I emailed her and wished her a happy birthday and sent her a picture of the Lettermen concert I attended that evening. She was thrilled. She said she went and played her Lettermen CD after seeing the picture. Pat was a dear friend. I will miss her, but I am glad we got to correspond.
My prayers and condolences to her family.

“ I met Pat years ago when she became my children's step mother. I couldn't have ask for someone to be any better to my children. Pat and I became friends and continued to be friends through the years. We still kept in touch through Facebook. She was the sweetest person and I will miss her. I am so sorry for your loss.

“ *My friendship with Pat goes back over 60 years to Maplewood Elementary thru University Junior High and as a classmate graduating from Austin High School's class of 1965. Summers days hanging out at Patterson Park, always feeling welcome at the house on Giles Drive in Austin. So many memories of my youth include the two Atkins girls.*

I communicated regularly with Pat through e-mail and Facebook. In fact I had sent her a funny e-mail joke Sunday afternoon without knowing she would never read it.

Pat Atkins touched many lives and she will be missed.
