“ Mom, I just wanted to let you know that I love you and I am so glad that I had the privledge to be your daughter. I know that you are not hurting anymore but now I hurt because I cannot call you on the phone to talk about my problems. Most of the time I feel so alone without you. I am trying so hard to find the strength to live this life without you but it is so hard. I love you so much and no one will ever be able to take your place. I love you!!!!
