“ *Strength, determination, integrity, intelligence, generosity...all perfect descriptors of you, Pat. You didn't suffer fools well, but you had such tremendous compassion for those in need. We had some marvelous trips and such adventures! Know that there will be no pedestal for you, but you will be lovingly remembered for all that you were. We are going to miss that big heart, quick wit, and sharp tongue, all hallmarks of the amazing woman that you were. We love you, will miss you, and will watch over your sister, Judy. Enjoy your quiet time until we get there, because rowdy will be the word when we do. We love you so much, Bestie, our ride-or-die!*
