“ 19 years ago when I met you I knew you were someone i could look up to for guidance. You will always have a special place in my heart. You can finally be at peace now. Your spirit lives on in your children and grandchildren and great grandchildren. The love you showed me when i became part of your family was welcoming and i will always remember that.

“ Dear Charlie, Kenneth, Sam, and Michael, as you know, Pat was an amazing person! I met her 40 years ago in PTA. I have always identified her as The Hardest Working Woman in Frost! She was never too tired to help raise money for any project related to school or community! She loved you boys and grandchildren so much. She spoke her mind and I loved her! Just know I love you, too, and am praying for your strength through God to sustain you in your loss.
