“ *Aunt Patsy was the rock of our family. She always had a kind word and was genuinely caring about everyone. She loved her children and all the children in her extended family. As an example of her sense of humor, I asked her once why she didn't have a nickname like all her siblings. Quote, "With a name like Patsy you don't need a nickname." There is another angel in heaven and it is my sweet Aunt Patsy. I will miss her terribly.*

We thank you from the bottom of our heart for sharing your mother with us.

Mama Dyess was a blessing to us and our children. We loved her dearly. I do not know what we would have done without her. She was a fine example of how Jesus tells us to "Love" others. I could go on and on about the many many tributes and stories of this "Special" lady.

It's not bye to Mama Dyess.....Its I'll see ya later Mama Dyess. We Love You and your children.

“ I owe the wonderful childhood of my sons to Miss Patsy. Bryan and Ayden were in her care when they were infants to 3 years old. I could not have asked for a more loving and caring woman to nurture and love my babies. I will think of her fondly each time I pass her home on 2nd Ave. I want Patsy's family to know that she will always hold a special place in my heart, and I believe she played a vital part in role in their upbringing. God Bless
