“ *The first time I met Pat we spent at least 2 hours talking! Every time I went to see her we always found time to chat. She was always asking about me and my family despite her being ill. She had a loving and kind voice. She is in a better place without pain. I know her family misses her very much.*

“ We will miss Pat so much. She was a cheery lady even when she didn't feel well. She was a sweetheart. Our thoughts and prayers are with the family.

“ My prayers and thoughts are with you all. Pat was a joy and blessing to be around, I love her and will miss her. She always thought about others and was always there when I needed her. I have and will for ever think of her as a Mother to me. She is and will always be the Mother of my wife Debbie witch makes me thankful to her and Clearence both. For I loved them both. Thank you Lord for allowing me to be apart of this family. May God bless and comfort the Pearson family during this time.
