“ *Pat was one of my best friends from when we both lived in AZ. I met her the day she knocked on my front door and asked if this little girl (my daughter age 3) was mine. I said yes and she told me that Amber had told her that I had gone to grocery store and told her to stay under the tree while I was gone!! We both had the greatest laugh and that began our friendship of almost 40 years! She was such an amazing woman, soft and kind but tough when she needed to be. She lived life to the fullest. I loved her dearly and will miss her a lot but am so glad that she no longer suffers. Heaven has received a special angel! Katherine and Margaret, my prayers are with you both as you go through this time of grief.*

“ *Carl and I will truly miss you, Patsy. From the first time we met you, you made us feel right at home at church. No matter what you were dealing with you always thought of others. Especially, Carl, when he was so sick. GOD has a great angel now. Rest in peace and without anymore pain. Carl and Cheryl Seals*

“ First met Patsy years ago when my son was in school. Seems him and her had some issues. When went into the classroom to discuss things I noticed his name was misspelled. I pointed it out to her without him knowing and she corrected everything before the next days class. He came home that day all happy and all of the sudden liking his teacher. I asked him what was the change in attitude. He stated well see she couldn't even spell my name right and you expected me to learn from her when she couldn't even spell my name. Well mom I guess she's okay cause today everything was spelled right and she must be okay now... Patsy and I have laughed over that for years and him and her even into his adult years had that special bond. You will be missed my friend. Peace to you in the arms of Jesus with no more pain.

“ Patsy would always come to the city office and we would talk about the upcoming council meeting and things going on in the community. She dedicated so much of her time to the community, helping whenever she was needed. Her service on the city council, as park board president, and secretary of the cemetery association will be greatly missed. We're so glad her suffering is over. May God send peace to her family.
