“ *Pat was absolutely the best neighbor my grandmother, Faye Eddins, ever had. I loved their visits to each others backdoors and wow, could Pat make a delicious pineapple fried pie. I am still using her recipes. My whole family and I loved her.*

“ Aunt Debi:

Your Mom was a wonderful person. She is by far one of the sweetest people I have ever met. Her life was full of love and she passed it on to those in need. My childhood memories of both of your parents are cherished.

Love,

Lisa

“ Debbie,

I'm so sorry to hear about your mother. I can remember back even into the 1950's when your parents would take us to swimming lessons at the YMCA and even then your mom had that elegant appearance and silver hair. And of course I'll never forget my daily walk as a preschooler to Monroe's grocery to get a 6 cent ice cream sandwich. Such good times...and your mom was also so nice to me.

I'll be remembering you in my thoughts and prayers.

“ Debbie,

Mom and I are so sorry to not have your mother to share time with on this earth. We'll meet again where neither of them will have any aches or pains. I know mother will miss her terribly since they have been sharing a room at Heritage Oaks for so long. Your mom was a special, special, sweet lady.

You and your family will be in my prayers to feel God's comforting arms. His ways are not our ways, and His timing is perfect as I know you understand.

I know mother will also miss the time you shared with her. I so appreciate all the kindness you showered on her. You are truly a blessing.

Feel free to call at any time although I know you will have a wonderful support system with your family.

God bless you all.

“ Debbie, I just learned of your Mother's death. We were out of town when she died. I am so sorry. I know that losing your mother is very difficult & the loss will be with you forever. We will be remembering you in our prayers. Please call if you need anything, even if just a handy shoulder to cry on or a loving ear to listen.
