“ *Jane & Family (and Jeff)-
So sorry to hear of your loss--a great loss to all. Pat was a dear and always made one feel better. Her smile and concern for everyone were apparent. I read your Thank-You Letter to the Editor and I can relate to the things you shared -- my Mother passed away at the start of summer 2010 (northeast TX area). Yes-- caring nurses make a difference, like Sandy Baker and like Pat Robinson.*

Thank you Sarah. I just now saw this. I think you include yourself as a nurse who always made a difference.

“ So sorry to hear of your loss. Though we know she is in a better place, it still leaves an empty spot and is painful. She was always such a sweet lady and I know that is why you Jane are so sweet. You and your family are in my prayers, keep your good memories as they will be a comfort in the days and weeks to come.

“ Pat was a very giving and patient friend to me. When I was a graduate nurse and a new RN, she helped me learn how to give chemotherapy. She always had a ready smile. She was a special person and I'm so glad I was able to be one of her friends.

“ We moved to Bryan 21 years ago, but we check the Daily Sun each day, and were saddened to see that Pat had died. I was fortunate to have her (and Jane) as students when I taught nursing at Navarro College, and Pat and I soon became close. She was outstanding both in LVN and RN programs, and Scott was fortunate to have her for his nurse for so many years. I was older than Jane by half a year so was quite shocked to see she had died, and grieve with her family at the loss to her many friends and loved ones. My prayers are with you. Love, Martha

“ My deepest sympathy to Pat's family. She was a wonderful person, nurse, and most of all a friend to me. I worked with her at Medical Arts Clinic and she was a great nurse who worked in the surgery department for Dr. Middleton. Jane just want to let you know you are in my prayers and thoughts, as you are a great friend. May your family find the peace and comfort, that only God can give you at this most difficult time...

“ Dearest Jane,

I am mourning with you at this time of loss. I remember your mother as a vibrant and loving person, wife, mother, sister, daughter, and all those hats she wore. I thank God for her bringing you kids into this world and you sharing her with us...May God hold your hand as you walk this road! She has and will always be a loving friend for you and those who knew her.

Blessings,

“ *I have known you all my life, and it will be difficult without your presence in our lives, and we will miss you always. I am thankful that you are a Christian, and I know you are all right. You made a positive difference to so many others, and many others are better off because you were here. Would that we could all say that, when our time comes. Because you are a Christian, I won't say goodbye...I will just say: I will see you later. Messiah Jesus said: "My sheep hear my voice, and I know them, and they follow me: And I give unto them eternal life: and they shall never perish, neither shall any man pluck them out of my hand." John Chapter 10 verses 27,28.*

“ Pat is one of those quiet controlled people that you always want around you especially in the medical field. She worked for Scott Middleton for what seemed like forever and I was fortunate enough to office right across from her office and I benefitted from Pat, Helen, Dr. Gibson, and Dr Middleton's advice and wisdom for twenty years before I moved to Austin. She was a beautiful lady in every sense of the word and I will miss her as I know you will.
