“ *I've bought trucks from Wimp for over 15 years, and consider him as more than a business acquaintance.*

*We use to talk about his plans to retire, and spend the rest of his time tending to his cows, and visiting a few casinos.*

*There are things I'll always remeber about him, like his honest hand shake, great pair of boots, and a cigar that I had never seen him smoke.*

*I consider it an honor to have known such a great man, and will miss him very much.*

“ One of my favorite summers that I ever had included Wimp. We were all camping out at the lake on Darrell's lake property. My brother, Michael Reznicek and Kevin Collier had a fake snake and decided to try and scare Wimp. Well...they succeeded. It was the funniest thing ever. Wimp was a lot of fun and a good sport about the fake snake. He was a wonderful person. We will miss him.

“ Wimp helped many a person over the years that were down on their luck he provided a place to stay, food and loaned them money. I liked watching Wimp cook that Sunday roast I can see him with that pepper shaker in his hand. Wimp loved his family and was especially proud of his grandchildren. Wimp will be truly missed by all.

“ I've known Wimp since 1981 and have bought 16 vehicles from him and it was always a pleasure doing business with him. My last purchase from Wimp was in July 2007. In 2006, when I was buying a new Mustang GT from him, we started talking about our dogs. Wimp got all choked up when he talked about one of his dogs that recently passed away. There we were, in his office, two grown men, getting all teary-eyed and choked up over our little dogs. But that was Wimp. He was as tender-hearted as they come and it was his genuine caring about others that I believe made it a pleasure doing business with him all these years. I can easily imagine Wimp in Heaven still doing what he enjoyed doing on Earth -- being visited by his many customer-friends and selling. It was a pleasure knowing Wimp all these years. God bless you, Wimp.
