“ *Pedro was a very funny guy. Pedro would always pick at me when I went to his room. He kept it interesting at work and now that he is gone he is sure missed by myself and many of the staff. My blessing is with the Family.*

“ *I just heard the news and am saddened. I am so sorry for your loss. I only knew him since he arrived at the facility, but he was always nice, and liked to reminisce about his life. The family is in my thoughts and prayers.*
