“ *Pete was such a great person both inside out. He had a good heart full of love to anyone who knew him. He and Fairy use to come visit during the Memorial Day weekends. I sure will miss those times. He was a funny guy always making me laugh. He loved his family and was a man of God. He and Fairy attended our church in Fulshear, Tx a few times. We will miss him dearly. May God give his wife Fairy and family comfort and peace.*

“ I will miss hearing from my friend and how excited he would be about the good music he would find at flea markets and estate sales. He loved collecting all types of music and finding stereo equipment. He got me into and I still have the Super Fly album he gave me while we worked together about 15 years ago. He will be missed and I thank God for having the pleasure of calling him a friend! RIP my friend!
