“ *For as long as I can remember, Aunt Peggy would be drinking her Dr. Pepper and frying up dozens of Banty eggs for the whole family. If it wasn't all of us kids running around, Peepaw would spin the plates and lids just to hear her fuss. "Fanny" was such a gracious, loving soul that was not afraid to voice her opinion - and did so quite often. So many of my childhood memories contain Aunt Peggy and our many trips to Corsicana. We love you very much. You will certainly make heaven a little brighter!*
