“ *Peggy was in my sunday school class at Navarro Mills Baptist church...she always kidded me about being the youngest in the class...but I will never forget how truly lovely she was. She never met a stranger and was so friendly to me when I first started going to nvbc that I loved the church just through her testiimony. She is surely in heaven now smiling down on all of us left behind..she truly blessed me more than I can ever tell you and I know god sent me to that church just so I could meet her and get to know her...RIP Peggy and know I truly loved you here on this earth.*
