“ My Condolances To The Family and Friends of Coach Lockhart. He Was A Good Man, and An Even Better Teacher/Coach. He wasn't appreciated enough, and now it's too late to show appreciation. I wish I could go back and change some things I said to him, because we had our differences, but all of that doesn't even matter, it doesn't matter anymore.

“ Phil was my brother-in-law. He was an educated, profound, and philosophical individual with an opinion or a solution on just about every imaginable subject.

His command of the English language was very impressive, and I was always so impressed with how articulate he was. I feel confident that his students appreciated his talent for teaching.

Phil was passionate about his children and grandchildren and loved them deeply. Phil is already deeply missed.

Goodbye, Phil. Revel in knowing that you have crossed your finish line.
