“ Barbara Moore Storey and Family,

I wanted to convey my most sincere condolences for the loss of your beloved grandson, Philip Heflin Moore. It is easy to say he is in a better place, but a big part of your heart is still hurting, and part of your life is missing.

I have not lost a grandson, but my daughter passed away at age 41. I pray the precious memories will bring you and your family healing in time, along with your faith.

I retained my maiden name of Bean as my parents didn't have sons. I am sorry didn't attend the Moore reunions but have been living in Oregon. My address is 13426 S. Butte Creek, Scotts, Mills, Oregon 97375. Mother had lived in Oregon since 2008.

My thoughts and daily prayers in Jesus precious name are with each of you.

“ Ainsley thank you for allowing us to be a small part of Phillip's life and know we are always there for you. I can't say enough how he and you both have encouraged me at times that I was close to going home to the Lord just reading your post. He will be missed but looks as he was still giving even in death. What a awesome witness for Christ. Thank you Jesus for Phillip's time here on earth witnessing for you. Be with Ainsley with comfort and strength. Amen.

I went to JC with Darla, and was Gina's dorm mom and knew Charlotte from Seminary. And prayed for and read about the Heflin family when they were missionaries to Costa Rica. They visited our home when I was youngster. My mom is Claudie Thompson.

We love you and will be remembering you all in prayer and thank you for all you mean to the Lord's Work.

With Deepest Sympathy.

I just found out today miss Katrina. He's the last person I would've ever expected to go through this. This isn't fair. Just not right.
