“ I was Phyllis' best friend and confidant. I knew/know all of her information and wishes. I was asked by Phylis to speak at her services, and to read letters which I held for her. I am sad that the people she most wanted at her service will not be included, and her final wishes will not be honored. Rest in Peace my dear friend, all of your stresses are gone now. Enjoy your eternity with Butch. Miss you. We loved you so much.
