“ *I can remember the first time I met you when me and Melissa were just kids.. in your fast car! Lol I will always remember the last time I seen you also. You were the definition of a father and unconditional love! Me and your daughter haven't always made the right choices in life but you were always there. I'm glad you got to see us living life to it's fullest the right way now! I know you are proud of us! I promise you I will always be there for Melissa. We love you dad! We already miss you more than ever!*
