

## Priscilla Ann Martin

June 7, 1941 - March 17, 2026

Priscilla Martin, (but you'd better call her Peggy) passed away on Tuesday, March 17, 2026. She was 84 years young.

Priscilla was born June 7, 1941, to Sylvester Anthony Anderwald and Virginia Flanary in Bandera, Texas. She completed up to 11th grade in school before dropping out to marry the love of her life Frank and raise their 2 children. Cilla was the ultimate homemaker and always kept the home spotless, and I'm pretty sure she is the only person I know who could fold a fitted sheet. Nana was a force to be reckoned with, but she loved her family with all her heart and took care of us all until her last day. In fact, she not only raised her own two kids, but also played a major part in raising her grands and great -grands as well. (she was still raising us even though we're all well into adulthood).

Cilla was the best cook and loved to have her family over for every holiday and birthday. She made us all feel special.

Every trip to Nana's was like a trip to Walmart..... you always left with a few things you needed, a lot of things you didn't need and of course, a snack.

She certainly was the fearless leader of the Martin family "Wolf pack" and will be deeply missed by us all.

Nana was preceded in death by her parents, her dear husband Frank, and her

granddaughter Amy Dean.

Left to cherish her memory are: her son Randy and wife Gina, daughter Gayle Dean, granddaughters Kasi Huck and husband John, Kortni Martin, great grands Zadie, Cameron, Brayden, Kinzi, Rowdy and Kaili.

Rest now, sweet Cilla.

I love you a bushel and a peck and a hug around the neck.

*Peggy, as I have always called her, told a few of us at Teague Senior Center as we were drinking coffee that her name was Priscilla, so please call her that.  
We all met each day Mon-Fri there to drink coffee from 10am - 1pm..also lunch too!  
We heard stories of her and Frank's life and of course stories of Randy and Gail. Such special children and they really took care of her in old age.  
She said Randy always took her to a new restaurant each time they were out and about.  
I have that lust and will hope to visit those places since they are not in Dew where I live.  
We will sure miss her smiling face and funny stories.  
Am jealous that she is seeing our Jesus, live you always Peggy!!*
