“ *mr. dixon was always a kind and gentle man. he was always a friend, but had become more so in the last few years as our dear friend james took over quintons care. mr.dixon cared a great deal about those around him, and his love for his family was sincere. he is with the love of his life now, and thanks to james and betty, he lived his days out in a loving and caring situation. he left us as he sat in the company of those he loved, and went home.*

“ My heart goes out to you guys, I loved Quinton and Juanita like they were my own. I have soooo very many precious memories of them. There are no words to say how much I will miss him. Knowing he is with Juanita helps ease the heartache. He will get to spend his birthday with her this year in Heaven. What a beautiful reunion that must be. God Bless you all and we will keep you in our prayers during the days to come. Love Diane
