This video brings back so many memories of Randy. He was such a joy and so kind. He would do anything to help others with a smile on his face. If you were ever down it only took 5 minutes for him to make you smile. You will be missed by road dog!

RIP Country bumpkin!! Seeing this slide show made me smile and brought back the day when you said, "sugar britches, we're going on a road trip this weekend!" And then we didn't come back to Amarillo for a few months, had a place in Arlington and had some of the best moments I've ever known. You lifted me up when I had no clue how to. You are my best wiggin partner out shopping and my strong arm. You left your fingerprints on the hearts of many lost souls and you brought light into their darkest days. You are loved and missed more than you will ever know.. #gone but not forgotten love your pain in the ass, ambi aka sugar britches xoxo,

“ Randy was the type of person whom you met and never forgot. He could make any moment in time better, just by his enthusiasm and sense of humor. Without a doubt, Randy will be missed by all and never forgotten. Although he was only in my life for a short while, I continued to consider him my friend and always will.

Robin and family, may the memories of Randy enter your thoughts daily and put a smile on your face and ease your pain.

Even at a young age he was pranking and making us laugh. He was always trying to pull something over on Tracy, Robin and myself. Which he normally did pull it off. Normally it was him and Tracy against me and Robin. You never had a dull time when he was around.He will be missed.

Tammy Carr Breckenrdige - July 31, 2018 at 03:13 PM
