“ *I'm saddened by the news of Randy's passing. For some reason, we have never had the chance to be close to the DeMoss side of our family, and only see each other at funerals. That aside, ya'll are family and we love you. We will be praying for ya'll that God will give you strength and peace. It's never been a mistake to trust God. I can't help but think Damon is glad to have his fishing buddy with him.*

“ Randy, Words can't express my sadness. I'm going to miss you and our talks so very much. You were the one person I could trust completely.

I find comfort in knowing you are now with your dad catching all the fish in the lake!

I Love You!
