Excellent presentation of Randy's life. I wept for the family's loss, and I rejoiced for his new life in eternity where every tear is dried and he is joined again to those whose passing before left a sadness in his heart that seemed to soften his laughter and relax the normally wide smile. Now he is again full of joy and no doubt a section of heaven rings with his gift of laughter that that so many enjoyed. A good man and Father who wept at night because his beloved sons were 'away from their .Pleasure to have known you Randy...
