

Randy Green

November 5, 1954 - January 31, 2006

Randy Lee Green, 51, went to be with his Lord on Jan. 31, 2006. Randy was born in Vina, AL, on Nov. 5, 1954. He is preceded in death by his parents, Curtis Green Sr. and Belva Green. Randy is survived by his wife, Pam; three children, Matt Parrish and wife, Jade, Haley Green and Hunter Green; two grandchildren, Kealey and Kieran Parrish; one brother, Curtis Green Jr. of Adrian MI; one sister, Twila Phillips of Castlewood, VA, and a multitude of cousins, nieces and nephews. Randy attended Michigan Christian College in Rochester, MI, and graduated from Harding University in Searcy, AR. He received his Masters in Mid-Management from Stephen F. Austin University in Nacogdoches. Randy dedicated his entire career to teaching and coaching. Next to his love for his family, the ability to help young people through his teaching and coaching was what he loved best. He was a big man with an even bigger, kinder heart. The love and affection shown for him by those whose lives he touched is a testament to Randy as a role model and inspiration. The positive difference he made in so many lives will go on forever. A document written by Randy many years ago reflects how he lived his life. Here are his words: "Are you accomplishing what you honestly feel God intends for you to accomplish with your life? One of our biggest problems in attaining our dreams is that we try to do it alone. There may be some things you can do alone, but there isn't anything of importance you can do without God. He can make our plans greater and better than we can ever imagine. You ask "how do you know if it's God's will"? I really can't answer that, I only

know the important thing is don't sit and wait ... Even if the direction seems totally impractical, but ever so interesting, move toward it as if it were a possibility and let God though his intervention stop you if it's not right. I wonder how many miracles a day we miss because we do not live in the now, but look back at the past or try to gaze into the future." Visitation will be Friday, Feb. 3, from 5 to 8 p.m. at Griffin-Roughton Funeral Home. Services will be held at 1:00 p.m. Saturday, Feb. 4., at the Corsicana High School Auditorium. In lieu of flowers, the family requests that donations be made to St. Jude Children?s Research Hospital, Memphis Tenn.

Randy lived this verse and God fulfilled His promise and gave Randy his desire of a beautiful Wife and Family. “ Pam,Haley,Hunter,and Matt-How sad this makes me feel to hear the news.Randy was certainly the best of the best.After working for you ,Pam,for seven years,I came to know how caring and dedicated you and your family were.Not only were you and Randy dedicated to each other ,you both were loving parents and showed it each day.I remember when you and Randy brought Haley home,such a wonderful day.Then came Hunter and another wonderful day.You not only were dedicated parents,but cared about your work so much and for the people around you.I know there are no words that I can say that will help the hurt you must be feeling,but just to let you know that I am thinking of you and your family...May God be with you and watch over you during this time. I love you,Becky

“ To the entire Green family and to Randy's Corsicana High School family. What a positive influence this man had on so many young people and other coaches. He touched my life from the first day I met him. I thought of him often and the struggle that he was going through, but I knew that he never gave up. He was a Christian man and I am so thankful for the 8 years that I worked beside him.

“ Coach Green will always be remembered by each and every athlete in the CISD school district that had an encounter with him. He was not only a coach to many, but also a father figure in many athletes lives here in Corsicana. He was a great teacher, motivator, and coach. He made us strive for perfection in academics and athletics. By him doing this he made each and every last one of my teammates better themselves in life.

“ Pam, Hailey, Hunter, and Matt,
I am so sorry to hear about your lose, and my prayers are with you all . Even though I have been out of school for over 10yrs now, I will never forget the kindness that coach showed me. He knew I was going through rough times, and set it up for me to go to work, pt for the family which helped me out alot. What he didnt know is that extra money is what I used to buy my classring that I so cherish, and still wear to this day. I just want him to know how thankful I was for all that he did that he didnt have to do . He was never just another teacher, he was an angel. Now he is an ANGEL that will be watchin over you"ll and keeping safe. Once again I am sorry for the lose.

“ Jan 31st is a sad day for all the men who came through the Corsicana football program. Coach Green was a very determined man to get the very best out of his players. He had the ability to motivate players on the field as well as student in the class room. My prayers are with the Green family and to all you come to know this great man. We don't understand sometimes "why" things happen. We have to come to realize that it is not about us in this world, its about living for the MAN up stairs. Coach Green did just that. Coach Green is up there right now with his football on a rope getting the angels on his snap count. I Love You Coach, Tolly

“ Sometimes you don't realize how much a person has touched your life until they're gone. And then, WOW, how the memories come rushing in. I can truly say "Coach Green" was one of the good guys. He has touched so many lives-what a tremendous loss. Everbody has there own story to tell and so do I...He was my soccer coach in 1988. I played for him when they didn't have a girls team. The first girl to play soccer at CHS. He didn't have to let me play but, I'm glad he did. We had a blast. He has had and impact on so many people and so many things. To all of those who play soccer for Corsicana High School ... "SCORE ONE FOR COACH GREEN!" What a great guy...he will be missed. May God bless your family as you have blessed all of ours.

“ I knew Randy from when I dated Matt in high school. I just found out about Randy's passing and wanted to send my condolences. He was truly a great man. It has been years since I have seen him, but only good thoughts enter my mind when I remember him. I found out his cancer diagnosis from Matt in 2003. He obviously fought long and hard to remain a part of his family and I am glad his young children got as much time as they could with him. You all are in my thoughts and prayers.

I am truly sorry for your loss. I have so many fond memories of Randy, growing up as kids right through high school. I am so glad we had the opportunity to spend time with Randy and the kids while living in Texas and a chance to visit with all of you there in Corsicana before moving back to Michigan.
I know that you know he is in a much better place. He will be remembered for so many accomplishments, friendships and his contributions to his family, at home and at school.

“ Pam, Matt, Haley and Hunter: I just wanted to say that we are sorry to hear about the loss of Coach Green, yet so excited for him as he is in such a better place now. I will never forget one time my sophomore year when I was walking down the hall to my locker, which was right across from Coach Green's room. I was looking down at a pencil that someone had dropped and Coach saw me and called me over to him, and told me, "Never walk with your head down. Always walk with your head up." It is something that has always stuck with me and something that I tell Ty as well. He still had that positive spirit last spring when Hunter and Ty were on the same baseball team. It doesn't seem fair that such a wonderful man and positive role model would have to be so sick at such a young age, and with so much more life to live -- yet we know that God has a plan for each of us and we don't always understand why things happen. Your family at Westhill will always be here for you when you need us. We love you all, Danielle and Ty Gibson

“ Coach Green was such an amazing man. My grandmother loved him dearly, and I will never forget how wonderful he was with her during her fight for cancer. He always asked me how she was doing and was always checking on her. She was waiting for him at the gates of heaven, and she now walks with him, watching over all of us, especially those whom they loved dearly. Our thoughts and prayers are with you during this difficult time. Just remember, that with each passing day, it will get better. He is in a better place now and is no longer in pain.

“ Pam, Hunter, Haley and Matt:

I know words can't bring Randy back, I know words won't ease the pain, but I do know Our Lord will hold your hand and give you comfort. Randy was a wonderful person. My boys thought he was awesome the two years that they had the honor of having him as their summer football coach. He was a great role model to all that went through CHS football program. Although, he will be missed he will live in our hearts forever and his words of encouragement to keep on going and giving our best will never be forgotten. Our prayers are with you.

Keep your eyes on God through this time and he will carry you each step of the way...Randy heard the call from Heaven portals that spoke "Come home my child this is the last mile you must trod". He woke up in God's new heaven, sheltered safely in the arms of God. No more pain, no more suffering. We will see him again at the pearly gates. God Bless you all.

“ Coach,
You have taught me more about not only football, but life and how to deal with it. From the first time I met you in 2002, you have been my mentor. We often had long talks at the field house about our lives, our families, our goals. We talked about when our time comes, what to expect. As I sit here in tears, they are tears of sadness for having lost you as a friend on earth and your guidance. They are also tears of joy for having known you. I often told you "thank you" for your advice, your knowledge, and most of all your friendship. You have shaped my life to be a better teacher, coach, mentor and most of all a husband/father. Thank You Randy. My life has changed for the better because of you, as so many others have been changed. I love ya, man.

“ I enjoyed having Randy as a teacher and later on as a business acquaintance and friend. I covered the Tigers for several years at the Daily Sun and met with Randy on the field in Cleburne when they came to play there in 2001. We had a good conversation that day. While in his class during the late 1980s as a sophomore in World History, we both sat through defensive driving together at Navarro College one Saturday. We had a fun time. He could never slow down in that little Mazda RX-7. He will be truly missed and I will truly miss Randy. May God be with friends and family during this difficult time.
