“ *Mr. Randy was a great guy he was our neighbor for a long time he called my mom every night made sure she was okay. Right before I got married, I asked him would he walk me down the aisle, but he couldn't do it because of his hip, and I totally understood but I asked him instead of me always calling him Mr. Randy can I call him pop and he said yeah dear you can. We will miss you here in the Lakeview edition of Dawson Texas.
