“ When I heard of Raul's passing, so many thoughts and memories all of a sudden flashed in my mind. I always remember him mostly trying to pick on me because of a lower classman. I knew it was all just fun and games and outside the classroom he was pretty much a down to earth kind of guy. He loved hanging with the athletic guys and the coach's. He loved his family, and loved the simple things in life. It saddens me that we lost such a young individual but he is in a much better place. No worries just a heavenly place full of love and warmth. My thoughts, prayers are with the family. Raul will always be part of my school thoughts and memories. God Bless you all...Teresa Rowe..

“ I am very thankful to Raul's family for having the opportunity to care for him. He was a wonderful person and despite all his health problems he was always in good spirits until his last breath. I grew to care for him a great deal and he will be very missed. I will never forget him.
