

Ray Brown

July 3, 1963 - January 12, 2020

Ray Deen Brown, Jr born 07/03/63, passed away 01/12/20. Ray was known as Deen by friends and family.

He spent his career life working in water treatment plants, gaining a vast amount of knowledge of chemicals to make safe, clean drinking water. He was awarded Outstanding Professional Award for his contributions to the industry, the environment and public health in 2012. Deen lived by the biblical scripture "work as though you are working for the Lord" and had an extraordinary work ethic. He lived his life the same way outside of the workplace, always considering if The Lord would be pleased with him in his behavior toward others. Deen loved to fish and his favorite place in the entire world was the beach, where he could sense the power of God. He lived his life to make a difference, always thinking of others, especially his family and those who were in need. He was devoted to his wife, mother, daughter and grandchildren. He will be dearly missed by his family and friends. If a man's heart is measured not by how much he loves, but how much he is loved by others, Deen's heart was gigantic! He is survived by his wife, Rhonda Brown, his mother Doris May, his daughter Amanda Runyon, son-in-law Joey Runyon, three grandchildren Alexis Runyon, Brynlee Runyon and Bryant Runyon, his brother Gene Brown, and a host of aunts, uncles and cousins. He was preceded in death by his father, Ray Deen Brown, Sr.
