“ *I love u dad...I miss u always...I don't know what happens to u when  
ur gone but I'm hoping u can watch over me...I still need u...my  
heart's broken w/o u just a phone call away...now I don't have a  
positive male figure to turn to...u always lifted my spirits & made me  
feel worth while ...I'm so sad & lost now... Monkey*
